## LANGUAGES

MOTHER TONGUE ITALIAN

## OTHER LANGUAGES

GERMAN AND ENGLISH: PROFESSIONAL LEVEL

SPANISH: ELEMENTARY LEVEL

I come from an international background, having studied and worked with people from all over the world. In 2000 I successfully completed a Bachelor in International and Diplomatic Sciences – International Relations at the University of Turin (summa cum laude) with a recognition of the degree by the University of Cologne (2001).

## RELATIONSHIP AND ORGANIZATIONAL SKILLS

I obtained in the last years two Master’s Degrees with the aim to perform and improve my skills and expertise in the healthcare sector.  
Master Degree in “Fundraising for the Healthcare sector” (2014) at University of East Piedmont (UPO).  
Master Degree in “Economics Health and Politics” at the University of Turin – Faculty of Economics and Business (2015).

From 1998 to 1999 I had performing an Erasmus experience in Germany, at the Muenster Westfaelische Wilhelms-Universitaet, then from 1999 to 2001, I studied at the University of Köln where I began a PhD in International Politics.

Starting from my studies, my professional experiences have been characterized by continuous activities with persons and teams from other countries. Since 2005, my work has gradually focused on European funding (CIP, FP7, Interreg, Horizon 2020 Programmes etc.) concerning the design and the general management of European projects in eHealth solutions for the Healthcare sector (both public and private applied to the context of my region).
